

## Behavior Rubric

I came into the room quietly and was in my seat ready to work on time.	
I was prepared for class with a pencil, paper, homework, my math notebook, and all needed supplies.	
I followed directions the first time given.	
I treated my teacher and classmates with respect.	
I was not disruptive nor did I keep anyone else from learning at any time today.	

Total points \_\_\_\_\_

Students can earn up to "x" points per day. At the end of the week, privileges can be given depending on total point value, (i.e. outside time, sit or work with a friend, extra bathroom or water break, allowed to wash tables (!), allowed to run errands for day, etc...)
